01 — THE PROGRAMME

A Christmas that swings

For the festive season, Three Blind Mice presents a Christmas concert with a character of its own. Malo Mazurié, Félix Hunot and Sébastien Girardot revisit classic Christmas songs in a swinging, witty and unmistakably jazz programme shaped by the trio's close interplay and finely crafted arrangements. Small in size but never in energy, Three Blind Mice turns familiar melodies into a genuine concert experience: warm, elegant, full of surprises and made for all generations. A natural fit for theatres, cultural centres, winter festivals and end-of-year programmes.

THE PROGRAMME

A joyful and elegant seasonal concert for the month of December. Three Blind Mice reimagine classic Christmas melodies through the lens of acoustic swing: warm arrangements, subtle humour, and the trio's signature interplay. Suitable for winter festivals, theatres, cultural centres, and holiday programming of all kinds.

02 — THE TRIO

Three Blind Mice

THE TRIO

Three Blind Mice — inventive, infectious acoustic swing.

Trumpet, guitar and double bass: three musical partners, three personalities, a whole orchestra between them. Malo Mazurié, Félix Hunot and Sébastien Girardot combine virtuosity, inventive arrangements and the sheer pleasure of playing together to create acoustic swing that is lively, elegant and full of surprises. Félix's vocals and the trio's close musical conversation expand this drumless sound even further.

Inspired by the great masters of jazz, the trio approaches the repertoire with freedom, humour and thoroughly contemporary energy. That same chemistry drives two distinct programmes: Silence, Action… Jazz!, a live silent-film concert with music and sound effects performed alongside the films, and A Swingin' ChristMice, their festive Christmas concert.
