01 — THE SHOW

In brief

Denny Ilett celebrates Sinatra with warm, hard-swinging arrangements in two formats: an intimate sextet or an eight-piece mini big band, bringing classic songs and Rat Pack energy to the stage.

FULL PRESENTATION

A warm, swinging evening around one of Denny's first musical loves, Frank Sinatra. Offered either as an intimate sextet or as an eight-piece mini big band, the show delivers the big-band punch and swing that audiences love; Denny's smooth vocals and Basie-style arrangements make for a true crowd-pleaser for Sinatra fans and newcomers alike.

Denny brings his trademark mix of charm, humour, elegance and showmanship, backed by a powerful rhythm section and a horn section that recreates the colour and drive of the Rat Pack era.
